To Whom It May Concern:

Aleix Melloni is a student enrolled in good standing at Columbia College Hollywood and he is currently shooting a project through a CCH extra-curricular program. As the VP of Student Affairs, I can attest that he is well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

The College does cover \$2 million in damage and liability, save a \$1,000 deductible, which is the responsibility of the individual students, should the need arise. Per the guidelines of our College, this project is not being made for commercial profit of any kind, and as is the case with many student films, the project is being shot on a no-frills budget. Therefore, we hope you can give Aleix any aid possible with his upcoming film.

If you need further verification, please do not hesitate to contact me directly at kparker@columbiacollege.edu

Sincerely,

Kelly Parker
